Nursery Lead Hands Kununurra – TFS Corporation Ltd

TFS Corporation Ltd manages the largest sustainable Indian Sandalwood plantation in the world, with over 6,500 hectares established in the Tropical North of Australia.

With recent structural changes to accommodate the massive development underway across all Northern Australia, vacancies exist for two Nursery Lead Hands to join the Kununurra operations team.

Reporting to the Nursery Manager, the Nursery Lead Hands will be responsible for assisting in the production of Indian Sandalwood and associated host species for the annual establishment program.

This position will initially be based in Kununurra however there are prospects for interstate deployment in line with company growth and expansion strategies.

Essential knowledge and skills:

- Minimum Certificate II Horticulture or equivalent experience in related field
- Current “C” driver license
- Demonstrated experience in general nursery operations
- General experience with nursery irrigation systems
- Demonstrated experience in the supervision of staff
- Experience in pest and disease management
- Ability to carry out duties safely in accordance with OHS regulations
- Experience in the use of computers including Microsoft Office and other basic office equipment
- Sound knowledge of plant and implements use, maintenance and safety

Desirable:

- HR driver’s license
- Chemical Users Certificate
- First Aid Certificate

Personal Attributes:

- Ability to communicate effectively with fellow workers and management
- Ability to work in a team environment
- Demonstrate appropriate physical co-ordination and endurance, manual skills, spatial awareness and dexterity
- Ability to undertake directions from supervisor and management
- Ability and willingness to undertake weekend work on an occasional basis

Potential long term position to suitable candidate
